Not only do they carry out adequate checks, they also offer clear pricing and terms of conditions. Without this financial foundation, investments can't be maintained and seen through to their completion. Because individual stocks jump up and down at rates never seen in the overall market, it's always possible to get rich or go broke, as long as you're able to consistently pick winners.

Don't do this.

AUTHOR BIO Jessica French is a full-time mum and part-time blogger.

This is often a waiting game, but you can have confidence that when they bring you something, it's a great option.
