Because individual stocks jump up and down at rates never seen in the overall market, it's always possible to get rich or go broke, as long as you're able to consistently pick winners.

Don't do this.

Created by Charles Bailey, the rap entitled *We Need a Union on the Streets* even features popular money expert Martin Lewis.

In a world that is volatile, to say the least, many people don't invest at all.

We try to understand our relationship to them, distant though they seem, by the light which travels between heavenly bodies and our own eyes.
