Here s what a great investment manager looks like.

That s why when you apply to a company, they will carry out a credit check to ensure you can pay the loan back. Firstly you need to be sure you can pay back the full amount, plus interest on the money you need.

The attention to the moment can t be overstated.

In an ad called, simply, Believe , MFS makes the case that there is something to be said for living in the moment, even as we prepare for a distant future.

It s always better to apply for the bigger lenders as you know they are more likely to follow fair lending guidelines.

All lenders should carry out checks to see that the customer can repay the loan before they accept the application. MFS employs managers all around the world, to give them a broad, global perspective of market realities that will make you money.

That s because it takes a lot of work to become a great investor.

As reported in the Anglican Communion News Service, the rap is aimed at young people who are thinking of taking out a payday loan.
