Are they a well-known lender? If not you need to know that you re taking a big risk if you apply with them.

Paying for a Global Perspective.

Investment, in this mindset, is all about finding a place in the present moment from which a future preparation can be made.

These days all responsible lenders are required to carry out adequate checks before they accept an application.

Even the Church of England is getting involved Recently, the Church of England has become so concerned over irresponsible lending it has released a rap highlighting the dangers.

If this is language that would seem foreign were it to come across the desk from the mouth of your investment manager, you aren t alone.

That s what a bad investment manager looks like.

The question is how can you make sure you re borrowing responsibly? Key to borrowing responsibly There are a number of measures you can take to ensure you re borrowing responsibly.

The financial industry also offers a wide range of possible career paths and specialties; however, to make the most of the prospects on offer it pays to get off to a good start by choosing the right subjects to study.

Should I cut my losses? , Is another good investment ever going to come along? .
