When they first started out, payday loans were so popular because many lenders didn't carry out a credit check. From shop-front positions, such as a bank cashier or personal financial advisor, to roles that are more behind the scenes, such as a stockbroker or auditor, the world of finance brings a wealth of challenges and makes possible high reward.

The commercial uses wide-eyed imagery to discuss our lifelong fascination with space, with distant objects.

In a world that is volatile, to say the least, many people don't invest at all.

It can be tempting to apply for more money than you actually need.

Created by Charles Bailey, the rap entitled *We Need a Union on the Streets* even features popular money expert Martin Lewis .
