Weighted Average

Because individual stocks jump up and down at rates never seen in the overall market, it s always possible to get rich or go broke, as long as you re able to consistently pick winners.

Don t do this.

Created by Charles Bailey, the rap entitled We Need a Union on the Streets even features popular money expert Martin Lewis .

In a world that is volatile, to say the least, many people don t invest at all.

We try to understand our relationship to them, distant though they seem, by the light which travels between heavenly bodies and our own eyes.
