Watch the MFS video to understand.

It is important people do understand the risks of borrowing before they apply to a lender.

Many people have found them to be useful in their time of need.

By acting where they should wait, and vice versa, they cheat themselves out of yields and perform more poorly than an unmanaged index fund would! And some investment managers are little better, just taking 1-2% of your annual yields and getting you less payoff than you would without an active manager.
