From shop-front positions, such as a bank cashier or personal financial advisor, to roles that are more behind the scenes, such as a stockbroker or auditor, the world of finance brings a wealth of challenges and makes possible high reward.

It could be an unexpected bill or emergency home repairs.

It takes time and commitment.

In a world that is volatile, to say the least, many people don't invest at all.

Created by Charles Bailey, the rap entitled We Need a Union on the Streets even features popular money expert Martin Lewis .

When they first started out, payday loans were so popular because many lenders didn't carry out a credit check.

The commercial uses wide-eyed imagery to discuss our lifelong fascination with space, with distant objects.
