Because no one can see the future, good analysts like MFS look at thousands of securities and only act when they find a near-sure thing.

It may seem like it's only an extra 20, but when payday arrives you could soon find that 20 makes all of the difference.

Lewis has long expressed his concerns over payday lenders.

It takes a person both confident in the present moment, and hopeful about the future, to initiate an investment that may play out over decades.

It's a mysterious process, one that most of us understand only abstractly, but it's one that we nonetheless put a lot of stock in.
