It is important people do understand the risks of borrowing before they apply to a lender.

Should I cut my losses? , Is another good investment ever going to come along? .

Watch the MFS video to understand.

The financial industry also offers a wide range of possible career paths and specialties; however, to make the most of the prospects on offer it pays to get off to a good start by choosing the right subjects to study.

While this does not necessarily have to be a finance degree, studying finance as at least part of a degree programme can provide an advantage in getting ahead in a financial career.

If this is language that would seem foreign were it to come across the desk from the mouth of your investment manager, you aren't alone.

Understanding responsible lending As published on Experian, payday lenders are required under the responsible lending act, to provide clear information on their rates, terms and conditions.

Even the Church of England is getting involved Recently, the Church of England has become so concerned over irresponsible lending it has released a rap highlighting the dangers.
