Without this financial foundation, investments can t be maintained and seen through to their completion.

Not only do they carry out adequate checks, they also offer clear pricing and terms of conditions.

Created by Charles Bailey, the rap entitled *We Need a Union on the Streets* even features popular money expert Martin Lewis .

In a world that is volatile, to say the least, many people don t invest at all.

Because individual stocks jump up and down at rates never seen in the overall market, it s always possible to get rich or go broke, as long as you re able to consistently pick winners.

From shop-front positions, such as a bank cashier or personal financial advisor, to roles that are more behind the scenes, such as a stockbroker or auditor, the world of finance brings a wealth of challenges and makes possible high reward.

Don t do this.
