Even the Church of England is getting involved Recently, the Church of England has become so concerned over irresponsible lending it has released a rap highlighting the dangers.

Paying for a Global Perspective.

If this is language that would seem foreign were it to come across the desk from the mouth of your investment manager, you aren't alone.

Are they a well-known lender? If not you need to know that you're taking a big risk if you apply with them.

The financial industry also offers a wide range of possible career paths and specialties; however, to make the most of the prospects on offer it pays to get off to a good start by choosing the right subjects to study.

Investment, in this mindset, is all about finding a place in the present moment from which a future preparation can be made.

Should I cut my losses? , Is another good investment ever going to come along? .

These days all responsible lenders are required to carry out adequate checks before they accept an application.
