Because individual stocks jump up and down at rates never seen in the overall market, it s always possible to get rich or go broke, as long as you re able to consistently pick winners.

Don t do this.

Not only do they carry out adequate checks, they also offer clear pricing and terms of conditions.

Without this financial foundation, investments can t be maintained and seen through to their completion.

We try to understand our relationship to them, distant though they seem, by the light which travels between heavenly bodies and our own eyes.

It meant those who have had financial troubles didn t get penalised.
