Understanding responsible lending As published on Experian, payday lenders are required under the responsible lending act, to provide clear information on their rates, terms and conditions.  
While this does not necessarily have to be a finance degree, studying finance as at least part of a degree programme can provide an advantage in getting ahead in a financial career.  
Many people have found them to be useful in their time of need.  
By acting where they should wait, and vice versa, they cheat themselves out of yields and perform more poorly than an unmanaged index fund would! And some investment managers are little better, just taking 1-2% of your annual yields and getting you less payoff than you would without an active manager.  
Watch the MFS video to understand.  
It is important people do understand the risks of borrowing before they apply to a lender.  
This is what led to a change in the regulations.
