Investment, in this mindset, is all about finding a place in the present moment from which a future preparation can be made.

These days all responsible lenders are required to carry out adequate checks before they accept an application.

Are they a well-known lender? If not you need to know that you re taking a big risk if you apply with them.

Paying for a Global Perspective.

That s what a bad investment manager looks like.

The question is how can you make sure you re borrowing responsibly? Key to borrowing responsibly There are a number of measures you can take to ensure you re borrowing responsibly.

Even the Church of England is getting involved Recently, the Church of England has become so concerned over irresponsible lending it has released a rap highlighting the dangers.

these distances that MFS is trying to span, waxing philosophical in their new marketing campaign.

If this is language that would seem foreign were it to come across the desk from the mouth of your investment manager, you aren t alone.

They are also required to assist consumers who fall into difficulties while repaying their loan.
