Because no one can see the future, good analysts like MFS look at thousands of securities and only act when they find a near-sure thing.

It may seem like it s only an extra 20, but when payday arrives you could soon find that 20 makes all of the difference.

Lewis has long expressed his concerns over payday lenders.

It takes a person both confident in the present moment, and hopeful about the future, to initiate an investment that may play out over decades.

It s a mysterious process, one that most of us understand only abstractly, but it s one that we nonetheless put a lot of stock in.
