Without this financial foundation, investments can't be maintained and seen through to their completion. Not only do they carry out adequate checks, they also offer clear pricing and terms of conditions.

**AUTHOR BIO** Jessica French is a full-time mum and part-time blogger.

This is often a waiting game, but you can have confidence that when they bring you something, it's a great option. Because individual stocks jump up and down at rates never seen in the overall market, it's always possible to get rich or go broke, as long as you're able to consistently pick winners.

Don't do this.

Created by Charles Bailey, the rap entitled *We Need a Union on the Streets* even features popular money expert Martin Lewis.

We try to understand our relationship to them, distant though they seem, by the light which travels between heavenly bodies and our own eyes.

In a world that is volatile, to say the least, many people don't invest at all.
